Twenty-seven operators and 423 routes on the site, November 2026

In the style of Map No. 1 in The Reshaping of British Railways (1963). Its widths count the site's routes over each line, not passengers. Lettering: Archivo (SIL Open Font Licence), the nearest open face to the report's condensed grotesque.
A schematic, not an official map. Routes as on the site, not all checked against timetables: see gbtrains.uk/maps/great-britain/. Track © OpenStreetMap contributors (ODbL).
Coast: contains OS data © Crown copyright and database right 2026 (OGL). Station positions: Powered by TfL Open Data; 25 from Wikipedia, not yet checked.
